Notice To Owners And Driv- ers of Automobiles.

You are hereby notified that the ordinances, passed by the City Board, relative to the speed limit, muffling cars, etc., are going to be enforced to the let-ter. Our school is now in ses-sion and small children are on the main streets of the town go-ing to, and coming from school, and they are entitled to, and shall have the protection of the city government. We are now try-ing to make arrangements for an officer to look after the interest of the town, but should we fail to secure the proper officer, you will take warning that every member of the city board, and of the school board are going to watch your driving and when you violate any of the ordinances they will be reported to the grandjury and said officers will prosecute to the limit of the law. So please take notice and govern your car accordingly.

Bailey C. Butler,
Mayor

Notice To Stock Owners In And Around Gainesboro.

I have heretofore called your attention to the stock laws of the town, and county, but some seem determined to violate both. I again notify you that it is a violation of the State law, as well as the ordinances of the town to let your cattle, hogs, horses and sheep or other ani-mals to run at large on any street or roads in this county, or upon the enclosed, or unenclosed land of another. We are trying to arrange to have an officer to look after these things after this week, and whether we do or not the city board, together with the good citizens of the town will be summoned to go before the grandjury and report all cases coming under their observation after this notice is printed, and the offenders will be prosecuted as in other criminal cases.

This is not intended as a threat, but in order that you may have fair warning as to what to look for if you persist in the vio-lation of the stock law, as every member of the board acquiesce in this order.

Bailey C. Butler,
Mayor.

Mrs. Allie Bell Cherry.

Mrs. Allie Bell Cherry, wife of John W. Cherry, a well known and highly respected lady of this county, died at her home near Stone, Wednesday evening at 9 o'clock, after an illness of four weeks.

Funeral service will be held this (Thursday) afternoon con-ducted by Rev. J. D. Gunn, of Sparta. The remains will be laid to rest in the Big Bottom cemetery.

Mrs. Cherry was 42 years old and had been a faithful member of the Christain church for a number of years.

Besides a devoted husband she is survived by three daughters, Myrtie, Dora and Gladys; one sister, Mrs. K. McCain, of Texas and two brothers, Smith and Bedford Carver, of Jennings creek.

Much has been taken from this husband and three daughters and a large number of relatives and friends; sweet ties have been severed, but much is left.

FORDSON FARM TRACTOR

The Fordson cuts the cost of preparing land almost to half of what it cost with horses. But even more important is the fact that the Fordson saves from thirty to fifty percent of the farmer's time. And time saved—getting fields in shape to plant in the proper season; getting things done when they should be done—means money to the farmer. Besides it helps greatly in solving the labor problem.

As ever, the machine way is proving more efficient, faster, easier than the old hand way. In the factory, the machine increases production, saves labor—produces more at less cost. And that is what the Fordson does on the farm. The Fordson way is the machine way of farming. Besides it helps the labor problem.

The Fordson's first cost is low and after or operating cost is low. It is a compact, easily handled tractor, backed by the greatest tractor service organization in the world.

We are Fordson dealers. Not only do we sell Fordson tractors, but we carry a stock of Fordson parts and employ Fordson mechanics to help the farmers get the best results from the Fordson. Let us demonstrate the Fordson on your own farm.

BARN AND CONTENTS BURNED.

The large barn on the Tinsley farm, located in Tinsley's Bot-tom, was struck by lightning Sunday about 2 o'clock and burned with all of the contents.

The barn contained 976 bales of hay belonging to J. T. Draper & Co., and Hamp Lynn; 1 horse 12 hogs, wagon, 6 sets of harness belonging to Sammie Lynn; 2 cultivators, 1 hay baler, 6 turn-ing plows, 1 disc harrow and a lot of other implements belong-ing to Hamp Lynn.

The barn was new and belong-ed to T. J. Draper & Co., and valued at \$1,500. The total loss amounted to \$4,500, with no in-surance.

The lightning struck the barn during a heavy storm that pass-ed over that section, and Mr. Lynn who reached the barn a short time after it was struck, stated that it seemed to be a fire all over the top. The hogs and horse were killed by the lightning.

DRY FORK.

Herlth is very good at present. We are having lots of rain and it makes it unfavorable for pull-ing fodder and cutting hay.
